

Bonjour Natalie,

I am thrilled that Marc found you as a reference to carry out our website project. As you know this component of our business is crucial to our success. I would like to extend my gratitude for the excellent client service and the work that you and your team have done for Ntegrity. Your problem solving skills and your creativity have served our organisation well.

I commend you for your professionalism and openness in helping our organisation achieve its goal in creating OUR WEBSITE. It is an excellent website.

Your understanding and communication skills are outstanding.

Sincerely Merci,

Lucie Carle, M.Sc.
